

How to Use the LMS Application – User Guide

1. Registering

Click on the 'Sign Up' button, enter your details and submit the form to create your LMS account.

2. Logging In

Click 'Sign In' and enter your email and password to access your dashboard.

3. Browsing Collections

Navigate to the 'Collection' tab to view available books and journals.

4. Issuing Books

Click on the book you wish to borrow and click 'Issue'. Ensure you're logged in.

5. Contacting Support

Visit the 'Contact Librarian' or 'Feedback' page for assistance.
